Foreword

*"Lives of great men all remind us, we can make our lives sublime,
and, departing leave behind us, FOOTPRINTS ON THE
SANDS OF TIME."*

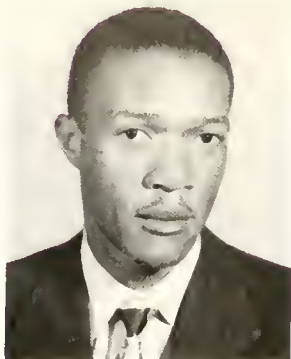

No other work, phrase, sentence, or book could better explain our stay at A. and T., and the progress made by the school, than those words written by Henry W. Longfellow in his poem "*A Psalm of Life*" FOOTPRINTS ON THE SANDS OF TIME. The staff, therefore, has chosen this quotation as the theme for this publication.

The staff wishes to express its appreciation to President F. D. Bluford for his faith in our ability to edit this publication, and to Messers W. M. Bryant, and G. E. Williams, whose assistance and cooperation have been sources of inspiration.

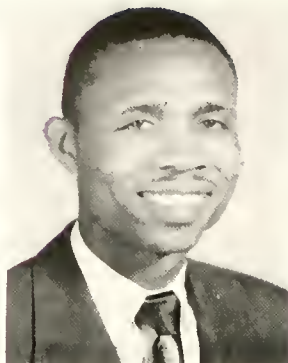

This book is our life. Each page is intended to provoke reminiscence, because it is here that we have lived. This book bears attestation to A. and T.'s scenic beauty, to her perpetual spirit, and to the loyalty of her sons and daughters. We have inherited her spirit, drunk from her beauty and knowledge, and become a part of her.

The duties of the staff have been pleasurable though at times difficult. Each word and each picture within these covers is representative of a school that is making eternal "FOOTPRINTS ON THE SANDS OF TIME."

The Editor.

The 1950 AYANTEE Staff has presented to the best of its ability the memories cherished by each Aggie of the college. We have tried to bring you a representation of the achievements, activities and events that have been engaged in by each student during this record year. The Staff has endeavored to produce an issue symbolic of the high ideals advocated at A. and T. College.

May this issue be an everlasting acknowledgment of the true friendship, the cohesive functions of the entire student body, and the unfaltering efforts of the personnel of this institution to disseminate knowledge and to perpetuate higher learning among all peoples.

The Register Staff says—

We have a good staff, headed by James A. Long, Editor-in-chief; and James Beckett, associate editor. We also have some good, hard workers in Arthur B. Word, E. Henry Girven, Thomas Richardson, Albert Atlas, and a few others. Our advisory staff is excellent. We have everything to insure you a good newspaper, if you'll just tell us from time to time what you want.

Ours is a thankless task, but we asked for it so we don't complain. We don't ask to be appreciated—we don't even ask for less criticism and more cooperation from you—we only ask to be allowed to get our, beg your pardon, YOUR *Register* out on time.

DR. F. D. BLUFORD

TO THE PRESIDENT

THE AGRICULTURAL AND TECHNICAL COLLEGE OF NORTH CAROLINA, as the outstanding agricultural and technical school of the Nation, is indeed fortunate in having Dr. Ferdinand D. Bluford as its president and the guiding force in the continuing advancement of A. and T. to preserve its position of leadership.

Acclaim for our progress should rightfully be directed to President Bluford, whose tireless and capable direction has achieved the great strides of recent years.

We salute our President for his able administration of the affairs of this institution. His direction of every phase of the activities of our rapidly growing Alma Mater has been wise and efficient.

To The Seniors

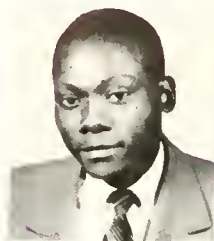

MARSHAL COLSTON
Senior Class President

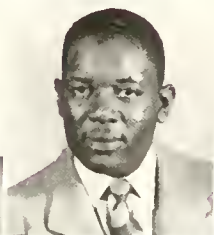

Now that we are leaving Dear Old A. and T., I congratulate all graduating seniors and wish the remaining portion of the student body good luck.

The entire AVANTEE Staff deserves commendation for its efforts in the preparation of this yearbook. Mr. Wendell Bryant, Mr. George Williams, Julius Kilgore, Jordan Corbett, Henry Dawson, and Thomas Richardson are to be especially congratulated for their splendid cooperation and work in making this yearbook possible.

We accept the challenge of the future with sincerity of purpose and humility. In turning to the realities of life, we hope very sincerely that our various contributions, great and small, may in a small way, compensate for the attention, aid and training extended so unselfishly by our parents, faculty and friends.

Those Things We Love Best

Upon numerous occasions we Aggies availed ourselves of the opportunity to enrich our cultural tendencies through the activities sponsored by our various groups and societies.

The Richard B. Harrison Players are continuing to present magnificent entertainment under the guidance of Prof. Roy H. "The Bard" Brown. The Choral Society conducted by the colorful Prof. C. A. Braithwaite has succeeded, through its superlative performances, in establishing itself as an institution within our greater institution. Seth McCoy, among others, has been active in most of the achievements of the Society in the past four years.

Prof. Walter F. Carlson has molded one-hundred instrumentalists into one of the best bands in the country, and the band has established itself as a favorite medium of entertainment. It lends itself unselfishly to any and all occasions; whether it is meeting the Governor of our State or playing at the Memorial Stadium or an American Legion Parade.

All of these have made indelible footprints on the sands of time. The Richard B. Harrison Players, the Choral Society, the Band, the Modern Dance Group, and the various Art Shows have instilled in us a pronounced desire for cultural advancement and created an atmosphere highly conducive to the development of progressive cultural pursuits.

Sports

From Prexy, an ardent sports fan of the first water, down to the little freshman woman who thinks a football coach has four wheels, we Aggies are puffed-up with pride over the way our teams have "brought home the bacon" time after time during the 1950 school year.

We had a few dark moments, of course—that last—30 seconds loss to Tennessee State at Homecoming left many strong rooters for the home team visibly shaken and troubled in mind—but on the whole the football season was a success. Our loss, come Commencement Day, of some of the players who have made football history at A. and T.—Garrison, "Stonewall" Jackson, Oglesby, Harshaw, Kelly, and Howell—is great, but we have strong hopes that the men who will fill their shoes will lead the team to an even greater success next football season.

As the "Ayantee" goes to press the baseball team has us in the clouds with its ten-game winning streak as against one loss—the opening game of the season. Runners-up in the CLAA conference last year, the Aggie baseball men, now leading the conference, are fighting hard to send their coach, "Jumpin' Joe" Echols, off to his new job as head coach at Morehouse with a pennant.

At track and boxing the Aggies are for this year "way out in front." We are, of course, highly elated, but not surprised.

Tribute should be given to our coaches—Head Coach "Big Bill" Bell, and his staff, Joseph Echols, Bert Piggott, Matthew Brown, and Felix Harris. We say, however—and we think they agree with us—that the spirit of cooperation, sportsmanship in the face of both victory and defeat, courage and desire-to-win that our teams show, plus the victories they've won and the loyal support they have of three-thousand Aggies, is the highest tribute they could receive.

HIGHLIGHTS OF THE 1949 FOOTBALL SEASON

Henderson Coleman's 75-yard touchdown run of an intercepted pass in the first game of the season against a determined Allen team in Columbia, S. C.

Athie Garrison intercepted one on his own 46-yard line and raced 53 yards down the sidelines only to be knocked out of bounds by Union just one yard short of a touchdown.

Boyd Jackson intercepted a pass in the Hampton game going 61-yards for a touchdown.

Athie Garrison again on an off-tackle slant against Hampton took the ball on his own 37-yard line and went 67-yards for another touchdown.

A. and T. lost to Morgan but not without giving their rivals a game to be remembered. Baltimore will never forget the all around good play of Jack Gibson highlighted by his 44-yard return of a kick-off in the closing minutes of the first half.

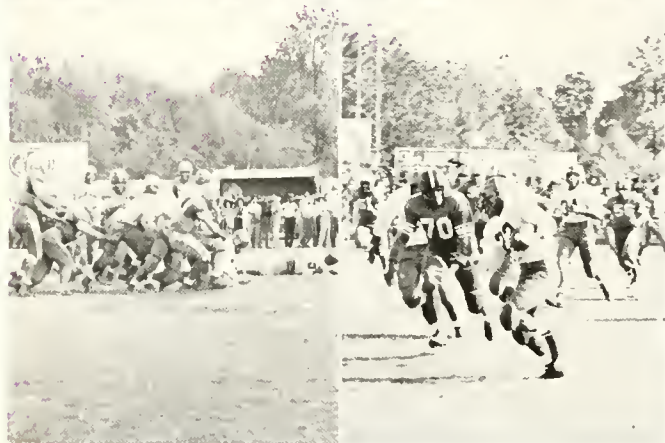

Jack Gibson intercepted a Virginia State pass and raced 48 yards to score.

"Stonewall" Jackson's 58-yard touchdown sprint on a spinner from the single wing against North Carolina.

"Red" Jackson's signal calling in the North Carolina game and his pass to Garrison in the closing seconds of the game that was good for 90-yards and a touchdown.

A. and T. accepts "Bowl" Bid.

The all around good play of the entire team in the Orange Blossom Classic against Florida A. and M. and "Red" Jackson's 44-yard pass on the first play of the Game to Jack Gibson to start A. and T. on the way to its first touchdown. Blakely booting two 30-yard Field Goals out of three to come within one of tying the record for Field Goals booted in a single game in Miami's *Orange Bowl*.
